Producing your revision timetable

Use a pencil to complete the steps below on your timetable:

1. Circle the exam papers you will be sitting
2. Add any commitments you have outside of school.
3. Start with your earliest exams and work backwards filling in the exam paper you will revise for in a block (1 block = 30 mins).
4. Add between 2 and 4 blocks each day and a total of 10 blocks per exam paper.
5. Spread your revision evenly between now and the day of the exam.
6. Once you are happy with your plan, use colours or highlighters to colour code each subject, making it more visual and memorable.
7. Finally - keep to your plan! Although it isn't set in stone, if you miss a session, try to find time to get caught up.
