

21st May

Dear <<Forename>> <<Surname>>,

We are really looking forward to welcoming you to The Axholme Academy in September. However, we are aware that some of you may be feeling anxious about starting due to the current circumstances. With this in mind, we thought that we would set you some challenges so that we are able to get to know you better and we will send you information in return so that you are able to get to know us too.

We would like you to write a letter to your tutor to tell them all about yourself. We will make sure that your tutor has read your letter before they see you in September.

You can include anything that you think is important for them to know about you and we have included some questions below to help you out. You don't have to answer them all and can also add any extra information in too.

- What is your name and when is your birthday?
- Who do you live with and who is in your family?
- Do you have any pets? What are they and what are their names?
- What is your favourite subject at primary school?
- What do you think you are good at?
- What are your hobbies?
- What do you think you might need help with?
- Do you play any instruments?
- What is your favourite sport?
- Do you support a favourite team?
- What is the best book you have read?
- What type of music do you like?
- Have you learnt any new skills during lockdown or done anything you don't normally do?
- Is there anything that worries you about coming to The Axholme Academy?

Remember to present your work in a letter format, using the correct layout. You can include a drawing of yourself too, if you want.

This is not a competition - it is an opportunity to give your tutor lots of interesting information about yourself but we would like your letters by Friday 5th June, if possible.

You can either email your letter to transition@theaxholmeacademy.com using your parent/carer's academy email address or post them to myself, Mrs Winder, at school.

We are really looking forward to reading your letter and welcoming you to our school.

Yours sincerely

Mrs E Winder
Transition Coordinator
