May 2020

Dear Parent/Carer,

I would like to welcome you to The Axholme Academy. We are really looking forward to you being part of our wonderful Academy community.

There is a lot of uncertainty at the moment due to Covid - 19 restrictions being in place and I wanted to reassure you that we will be doing whatever we can to help your transition to The Axholme Academy. We will be in close communication with your Primary School to ensure we have all vital information needed to support your transition.

At the moment we do not know if the calendared Transition Days and visits to the Academy for students and information sessions for parents will be able to go ahead as normal. If it does become an impossibility to run Transition events as we usually would please rest assured we will communicate all important information with you such as Induction Packs and Transport or Uniform Information.

It is important that we keep in touch over the coming weeks and we will provide updates and information to you. I encourage you to keep up to date with what is happening at The Axholme Academy by visiting the academy website.

Current events are presenting all of us with challenging circumstances. By working together we will ensure that your move to The Axholme Academy is as smooth as it possibly can be.

With all best wishes

Mr Keogh
Principal
