CS Transition Project

For this activity I want you to create a profile of yourself using words as in the example below and then I want you to create a mood board made up of images which reflect the words you have selected. Complete the list below before collecting your images. Then assemble them like the example shown. **This is mine!**

**Machine: Motorbike**

**Singer: Buddy Holly**

**Superpower: Invisible**

**Fictional Character: The Hulk**

**Colour: Green**

**Fruit: Banana**

**Meal: Chill and Rice**

**TV Show: Match of the Day**

**Man: Napoleon**

**Cartoon Character: Daffy Duck**

**Object: Pen Knife**

**Bird: A Robin**

**Tree: Giant Redwood**

**Country: Canada**

**Weakness: Eyesight**

**Drink: Tea**

**Animal: Squirrel**

**Toy: Soldiers**

**Song: Unchained Melody**

**Outfit: Penguin Suit**

**Actor: John Wayne**

You can do your mood board as cut and paste, copied from Google or draw (or a mix of all 3 if you like!)
