Year 11 Progression Data for 2016 school leavers

The Axholme Academy

1. Background

In the Joint Commissioning Arrangements with North Lincolnshire Council's Careers Information Advice and Guidance team a commitment was made to provide destinations information for year 11 leavers that included the collation and publication of institution level progression information, including analysis and commentary to be produced in the Spring Term. This document provides that information for your school, alongside information for North Lincolnshire as a whole.

The key headlines for your school are:

- An increase in the percentage progressing into learning and for the first time 100% progressed into something positive
- There were no pupils in employment without training which reduced the “in learning” percentage last year
- The percentage progressing into apprenticeships remains above the area average
