

THE AXHOLME ACADEMY
OPEN NIGHT

Wednesday, 19th September 2018

Dear Parent/Carer

I am delighted to invite you to an **Open Evening** at The Axholme Academy. The purpose of the evening is to provide the opportunity for prospective students and their parents/carers to visit the school, see us at work and ask questions of staff and students. You will be able to tour various departments and see students and teachers demonstrating the way we teach in each subject and the resources we use to make learning a creative, stimulating and enjoyable experience for our students.

Following on from our Ofsted inspection that resulted in another rating of good last September we are delighted that the hard work and commitment of so many of our students has paid off with some excellent GCSE results in 2018. Our staff have worked really hard to help these students meet the challenges presented by much tougher GCSE's and terminal exams.

On September 4th we welcomed our new Year 7 who are our biggest year group and this has continued our expansion over the past few years. The school roll now stands at 545, a clear sign that our popularity continues to grow across a wide area. Whilst we are delighted to grow we remain a relatively small secondary school with all the advantages that brings in terms of us really knowing and understanding our students.

PROGRAMME FOR THE EVENING
