### **New Year 7's Welcome Letter**

Dear Parents/Carers,

It is with great pleasure that we would like to welcome you and your child to The Axholme Academy.

On accepting the place at our Academy, we look forward to meeting and working with your child as well as yourselves. We are an Academy that is in a period of rapid and exciting progress, with students, staff and families on board with our efforts to develop the young people in our community and the community around us. This is all personified by our Academy vision:

**“Where every learner is Ready and Able to go Beyond expectations”**

We will inspire and support our students so they can become the very best they can in every single way. We develop independence and motivation both inside and outside of the classroom, encouraging an appetite of learning in a safe and stimulating environment. We want our students to become the leaders and game-changers of the future.

As the summer approaches, you will receive lots of information regarding your child's journey to their first day at The Axholme Academy in September 2023. In the meantime, welcome again to The Axholme Academy.

Yours sincerely,

D Keogh  
Principal
