

September 2020

Dear Parent/Carer

Catering Update

Following on from the Autumn 2020 Welcome Back letter sent out on Tuesday, we have reviewed the catering arrangements for the Academy. From Monday 21st September food will be available to be purchased from the canteen by students during their 15 minute mid-morning break time. This will be a reduced menu of 3 or 4 options daily for students such as a Fruit Pot, Bacon Roll, Pain Au Chocolat and Toast. There will NOT be a pre-order form to complete for this service it will be on a grab and go basis.

Years 7, 8 and 9 in their separate break times will be able to go into the canteen, purchase a refreshment/snack or their choice and take it away to their outside zone to eat. Years 11 and 10 in their separate break times will be able to go into the hall, purchase a refreshment/snack or their choice and take it away to their outside zone to eat.

All students from Monday 21st September **must** have their dinner card at break time to be able to purchase food. Year 7 students have been given their dinner card in form time today. Replacement cards can be ordered by making reception aware by telephone or admin@theaxholmeacademy.com

Dinner cards are a form of contactless payment where students tap their card to purchase items; the use of dinner cards should speed up the purchasing process at both lunch and break time. Parents/carers should ensure adequate money is on their child's ParentPay account.

For the time being we will continue with the pre-ordering system at lunchtime. This form is sent out to parent email accounts each Wednesday for the upcoming week. This process is under constant review and we will update both students and parents if and when any changes are required.

With all best wishes

Mr D Keogh
Principal
