

23rd October 2020

Dear Parents/Carers

As we head into the October break and pause to reflect on the journey that we have all taken since September there should be a lot of personal pride across individual students, staff, parents, Governors and the Academy community as a whole.

The way in which students and staff quickly 'bounced back' in September from the lengthy lockdown period and adjusted so quickly to very different ways of working was remarkable. The atmosphere across the Academy has been vibrant and with a clear focus on learning.

We have also been faced with challenging times this term and the Academy community has really pulled together to 'bounce with' these challenges to overcome them, particularly over the last two weeks.

Please can we request that if you have any personal information that is necessary to share regarding Coronavirus such as information about self-isolation or test results over the holiday period please email covid@theaxholmeacademy.com

As we all enjoy a well deserved break we start to consider next term and I am sure there will be further challenges ahead and we will have to continue to pull together as a community.

On behalf of the Staff and Governors have a happy and safe half term break. We look forward to welcoming our students back on Monday 2nd November 2020.

Yours sincerely

Mr D Keogh
Principal
