

## Engineering Apprenticeship - Flixborough

### The Opportunity:

We have a fantastic opportunity for an enthusiastic and hands-on individual to join us. Working as part of a small team and under the instruction of our experienced engineers, you will learn and gain a wide understanding of engineering skills and processes.

- Spend one day per week at North Lindsey College and work at GWS Engineers for the remainder of the week
- Gain nationally recognised qualifications whilst working in a challenging and exciting industry
- Earn a wage and bonus while you're studying

### Our Requirements:

We're looking for someone who:

- Enjoys working in a small team
- Is an Engineering enthusiast
- Possesses a "can do" attitude
- Enjoys problem solving
- Has an eye for detail
- Due to the location – it is essential that you live within a commutable distance to Flixborough Industrial Estate

### Interested?

Please email Selina Wright [mail@gwsvacuum.co.uk](mailto:mail@gwsvacuum.co.uk) for an application form. We look forward to hearing from you.
