Belongings & Valuables During Exams

Can be left in the old locker area, mobile phones and valuables should be left at home or handed in to the invigilators using the designated boxes in the exam hall/exam room.

Year 11 Teaching and Learning Arrangements during the Exam Season:

Students will be expected to be in school full time through the exam season.

From Monday 13th June the 'Study Stay' timeline will be put in place. A timetable will be produced where students are expected to attend lessons for subjects that have exams beyond this date. A supervised room will also be set aside for students to complete independent study. During this time, Y11 students will, we are sure, continue to be role models of excellent commitment to study, uniform and behaviour to other students in school.

Preparations for Exams - Alongside the focused and continued support from staff in school, students have been provided with a wide range of personalised information in the form of Strengths and Gaps Reports, Independent Learning Planners, access to a range of online resources (i.e GCSEPod, HegartyMaths, Educake) to help precise preparation for the upcoming exams. It is vital that students use the resources available in their final preparations. Breakfast Club to help students undertake final preparation is also available for all students from 7.30am each morning during the Exam Season.
