

Ready to Learn

Behaviour Policy

The Axholme Academy

September 2024

Review date: September 2026

Our Binary System - Ready to Learn

The Axholme Academy has **Disruption Free** lessons and our students are **Ready to Learn**. Our classrooms are spaces where learning can always take place because our policy is binary - students are either **Ready to Learn** or they are not. Three universal principles underpin our approach:

- 1.) Every student has the right to learn without disruption.
- 2.) Every teacher has the right to teach without disruption.
- 3.) Students are either Ready to Learn or they are not.

We don't give out multiple warnings in each lesson to each student because the classroom is a place where students are either **Ready to Learn** or they are not.

Our Philosophy - Restorative Practice

Our behaviour is our choice. We don't allow students who choose to cause disruption to remain in our classrooms. Following a single warning, students will be removed from the lesson and placed in another classroom on a cool spot. If their behaviour choices do not improve in the cool spot classroom, a member of the RtL or SLT team will escort them to the Reflection Room. They should be visited by their teacher in their subsequent lunchtime detention to restore the relationship and reassert boundaries - the student may only continue learning when they are again **Ready to Learn**. Seven empathetic questions underpin not only those conversations but also all of our language.

- 1.) *What happened?*
- 2.) *How did it happen?*
- 3.) *What part did you play in it?*
- 4.) *How were we affected by what you did?*

- 5.) *Who else was affected by what you did?*
- 6.) *What can you do to repair the harm?*
- 7.) *What do you need to make it right?*

Our Planning for Learning - Special Educational Needs and Pastoral Support

We recognise that our binary approach sets incredibly high standards for our learners. We recognise also that a combination of environmental factors and student needs can make these standards seem unreachable for some learners. For this reason, as an Academy, we plan fastidiously for those learners either in the form of **SEN Pen Portraits** or in the form of **Pastoral Support Plans (PSPs)**. Both are regularly reviewed. Parents can contact the SENDCo or the Head of Year to discuss the need for planning.

Please see our **Able to Learn Policy** for more detail around our preparations for students.

Our Expectations

During lessons we expect all students to:

1. Arrive on time and with the correct equipment
2. Arrive ready to learn with a 'can do' Ready to Learn attitude
3. Listen to others and follow instructions at all times
4. Take responsibility for yourself and cooperate with others
5. Learn to the best of your ability
6. Respect others, resources and the environment
7. Be kind, positive and polite
8. Use strategies to move your learning forward

At all other times we expect students to:

1. Stay safe
2. Follow school dress code & wear uniform correctly
3. Use appropriate language
4. Be in the right places at the right times
5. Not display anti-social behaviour
6. Display generous and polite positivity towards other students and staff

Our Non-Negotiables

1) Always be respectful to each other and the school environment

Expectation - Be respectful and reasonable towards other students and adults at all times. Treat others how you want to be treated. Take responsibility for keeping the school environment safe and clean.

Support - Adults demonstrate this to students and let them know when they are being disrespectful. Our language is always underpinned by our restorative philosophy and empathetic approach - we expect the same of our students.

Consequence - Instant R3 for swearing at or walking away from an adult, opening secure exits without permission, vandalism and blatant littering. Your Head of Year will issue this after speaking with staff.

2) Wear appropriate school trousers / skirt, make-up and jewellery as described on the academy website

Expectation - Trousers should be plain black and loose fitting. Skirts should be the standard Academy blue plaid and worn at knee length. Jewellery: only one small pair of gold or silver plain round stud earrings worn on the ear lobe, no more than one earring in each ear. Only Academy badges worn on blazers or bags. Make up / nails / eyelash expectations as outlined below. Blazers are worn at all times around campus except when the whole Academy is directed by the Principal in hot weather. Coats are never worn in the building.

Support - Clean replacement trousers /skirts are available. Expectations are made clear to all students, please ask an adult if you are unsure. Make-up wipes are available from the pastoral team.

Consequence - Reflection until acceptable uniform, make-up / lashes / nails and jewellery is being worn. No fake tan. Jewellery and make-up confiscated and returned at the end of the school day once per term. Jewellery and make-up will be kept for two weeks or returned to a parent/carer if confiscated again during that term. Coats are confiscated and returned at the end of the school day. An R2 Detention should then be issued even if Reflection is unnecessary.

3) Use mobile phones only when given permission

Expectation - The use of mobile phones is prohibited in school at all times except when directed to learning by a teacher during lessons. This applies when leaving the school site and if we discover that a phone has been used without permission e.g. via a parent contacting school.

Support - Phones can be handed in at reception in the morning and collected at the end of the school day.

Consequence - Phone confiscated and returned at the end of the school day once per term. Phones will be kept for two weeks or returned to a parent/carer if confiscated again during that term. An R2 Detention should be issued for inappropriate phone use.

4) Complete all Classwork and ILTs to an acceptable standard

Expectation - ILT completed and submitted by the deadline set.

Support - Students attend the Room for Improvement to get caught up

Consequence - Failure to attend the lunchtime Room for Improvement will escalate to a Friday after school detention to get caught up.

5) Have the correct learning equipment

Expectation - equipment must be carried in a school bag and consist of:

- Pencil case (inc. black / blue pen, green pen, pencil, whiteboard marker and a ruler)
- Independent Learning file (inc. Reflection journal [inc. timetable], ILP topic lists)
- Reading book (KS3 only)

Support - replacement items (school bag, pencil case [inc. equipment set], Independent Learning file) will be issued and added to the student's ParentPay account at cost price. Reading book loans from the school library. Short term equipment loans will be issued at the school's discretion.

Consequence - students are unable to attend lessons unless they are fully equipped for learning. R2 issued on each occasion that equipment is missing. Students with an outstanding ParentPay balance for replaced equipment are ineligible for reward activities, enrichment activities or any other paid activities.

Our Binary Classroom Pathway - Ready to Learn Consequences

Every student has the right to learn without disruption. Every teacher has the right to teach without disruption. Students are either in lessons learning or they are not. Indicators that a student is not Ready to Learn may include disruptive behaviour, non-compliance, resistance to work or anti-social choices. Our pathway applies to our classrooms but can equally be applied to the conduct of students outside of our lessons. Our expectations always apply to our students.

R1

R1: A Warning (- 2 Points)

- This is a warning that a student's behaviour suggests they are not Ready to Learn.
- Our Tutor Team monitors R1s and if a student accumulates these they may be placed onto Report

R2

R2: Not Ready to Learn. Removal from Lesson to Cool Spot classroom (- 4 Points)

- Sent home via SIMS App (if not escalated further)
- Student remains in the Cool Spot until at least their next lesson. A Restorative Conversation should take place with the class teacher during the lunchtime detention.
- Student has the right to ask to be supported in the Restorative Conversation by our Restorative Practitioners
- If the student is not Ready to Learn following this conversation the detention is failed and repeated the following school day
- If an incident is more serious, the RtL Team determines whether a student should progress to R3, R4 or R5.
- Student attends an R2 Cool Spot lunchtime detention.

R3

R3: Removal to the Reflection Room. Remain in Reflection for the rest of the lesson and for a further 5 periods (-6 points)

- Sent home via SIMS App (if not escalated further)
- An instant R3 is given for eg swearing at or walking away from an adult, prejudice, blatant littering, vandalism, lesson truancy and other high level behaviours.
- An investigation may need to take place to determine whether R3 is adequate or to escalate to R4 / R5.

R4

R4: Internal Suspension for a fixed period (-10 points)

- For serious breaches or escalation from R3.
- Contact home made by phone as soon as possible followed by a Formal Letter.
- Principal will decide whether suspension is to our Reflection Room or to another school.
- Reflection time may be deferred to facilitate parental engagement without removal from lessons.
- A readmission meeting will take place to assess whether the student is now Ready to Learn. Meeting outcomes logged and held in student's file.

R5

R5: External Suspension for a fixed period (-10 points)

- For the most serious breaches or escalation from R4.
- Contact home made by phone as soon as possible followed by a Formal Letter.
- Principal to decide whether to suspend to another school or at home
- A readmission meeting will take place to assess whether the student is now Ready to Learn. Meeting outcomes logged and held in student's file.

NB: An accumulation of low level behaviours may be escalated due to the cumulative impact on our Academy's readiness to learn.

Our Reports - Demonstrating Readiness to Learn Beyond Expectations

Students who are persistently not Ready to Learn will be monitored and supported by a Report Card. There are three - Green to Form Tutor, Amber to the RtL Team and Red to a Senior Leader. Parents should be made aware by staff that their child is on report. This should take place within 24 hours.

Each report will have between two and three targets per lesson. These are typically a mixture of behavioural and learning targets. A report is failed when they fail to comply with any single target on three occasions - this can happen in a single lesson. A tick is given for a completed target by the subject teacher. A cross for a failed target. The teacher signs these off.

All reports must be signed each night by parents / carers. Failure to do so will count as an additional cross. If parents are unable to sign for any reason they must contact the staff responsible for the report to let them know. In the case of Amber and Red Reports, it is the students responsibility to find the member of staff. Only the RtL Team can sign an Amber and only another Senior Leader can sign a Red Report.

If a student fails a Green report they are placed on Amber report to the RtL Team for 1 week or until it is failed. Once failed, the student will progress to the higher level of report the same day. If a student fails an Amber report they are issued a R3, spend a day in Reflection then if not given the opportunity to repeat Amber this may be escalated to Red report to SLT for 1 week or until it is failed.

If a student fails to meet their Red report targets, they will be issued with a R3 or a R4. A Red report will then be re-issued for another week.

If a student is issued with a R4 for failing a report, their parents will be expected to attend prior to readmission as standard (See above). They will only begin Red report again once this has taken place. They may remain in Reflection until this takes place.

If a student passes a Red report to SLT they are then asked to move back down to Amber to HoY and then if passed onto Green to Form Tutor until off report. Each of these reports should last a further week.

Students placed on Red Report on more than one occasion may have a behaviour review meeting or be invited to a Review Panel.

Our Report system works because it has, at its cornerstone, our partnership with parents. We ask parents not to be passive observers but participant in the focus on their child's Readiness for Learning. We seek, through the report process, rapid and meaningful intervention in Disruption Free Learning in our Ready to Learn Academy.

Our Reflection Room

The Reflection Room provides a safe environment where students complete work without disrupting the progress of other students and **Restorative** support from trained colleagues. Our Reflection Room is not an Isolation Room - it has front facing desks and is staffed by a member of the Pastoral Team. Students complete work but they do so in absolute silence.

When in the Reflection Room:

- Students eat their packed lunch or grab bag only.
- Students complete a Reflection activity as soon as possible.
- Students hand in phones throughout time here
- Breaks are taken at different times to the rest of the school.
- Students should complete work as instructed.

Our binary approach also applies to our Reflection Room. Students choosing to disrupt will be warned and then escalated to the next R level for further disruptions.

Lunchtime Detentions

Our detentions have **Ready to Learn** as their guiding principle. The student is usually visited by the Teacher who issued the detention for a Restorative conversation underpinned by our seven empathetic questions:

- 1.) What happened?
- 2.) How did it happen?
- 3.) What part did you play in it?
- 4.) How were we affected by what you did?
- 5.) Who else was affected by what you did?
- 6.) What can you do to repair the harm?
- 7.) What do you need to make it right?

In the detention the student must demonstrate to staff that they are now **Ready to Learn** - the detention will be repeated if they fail to do so. An R3 is issued by not attending lunchtime R2 Cool spot detentions.

After School Detentions

After school detentions are held in school between 3.00pm and 5pm every Friday for students accumulating more lunchtime detentions (or R4I sessions) than they can serve during a school week. This enables all students the opportunity to begin the following week with a fresh start.

After school detentions function as below:

- Parents are notified via text message to the registered mobile phone number with at least 24 hours' notice.
- Students are issued with a detention slip on the morning of a detention.
- Students are detained for 30 minutes per 'overflow' session (Fig. 1).
- It is a student's responsibility to be punctual and well behaved in the detention room.
- The Academy does not provide transport for students after serving an after school detention, it is the parents' / carers' responsibility to make any necessary transport arrangements.
- Authorised absence on the day of a detention results in a rollover to the following Friday.
- Unauthorised absence or failure of an after school detention may result in a fixed term suspension being issued.

Fig. 1

Monday Lunch	Tuesday Lunch	Weds Lunch	Thursday Lunch	Friday Lunch	Fri Clubs 2.30pm	Friday 3pm	Friday 3.30pm	Friday 4pm	Friday 4.30pm

DfE guidance on detentions states that:

- Teachers have a legal power to put students (aged under 18) in detention.
- Schools must make clear to students and parents that they use detention (including detention outside of school hours) as a sanction. Where detention is outside school hours they must give parents 24 hours notice, in writing. They do not have to give 24 hours notice for a lunchtime detention.
- The times outside normal school hours when detention can be given (the 'permitted day of detention') include:
 - o any school day where the student does not have permission to be absent;
 - o weekends - except the weekend preceding or following the half term break;
 - o non-teaching days – usually referred to as 'training days', 'INSET days' or 'non-contact days'.
- The head teacher can decide which members of staff can put students in detention.

Matters schools should consider when imposing detentions

- Parental consent is not required for detentions.

- The school must act reasonably when imposing a detention as with any disciplinary penalty. In addition, when deciding the timing, the teacher should consider whether suitable travel arrangements can be made by the parent for the student. It does not matter if making these arrangements is inconvenient.

Suspension Stages (R4 & R5)

Students receiving repeat exclusions will escalate through the following stages:

- Stage 1 - first Suspension
- Stage 2 - for a student on stage 1 given a further Suspension within 12 months of their most recent Suspension or a Suspension for the same reason as any previous Suspension
- Stage 3 - for a student on stage 2 given a further Suspension within 12 months of their most recent Suspension or a Suspension for the same reason as any previous Suspension
- Stage 4 - for a student on stage 3 given a further Suspension within 12 months of their most recent Suspension or a Suspension for the same reason as any previous Suspension

Students escalating to stage 4 or receiving a suspension whilst already on stage 4, are required to attend a Behaviour Review Meeting with their parent/carer, Extended Leadership and Senior Academy Staff to explore whether anything else can be done to meet the student's behaviour needs at the academy. The meeting will take place whether or not a parent/carer or the student attends.

The structure of Behaviour Review Meetings is as follows:

- Clarify the reason why the student has been referred to the panel
- Provide an overview of the behaviour concerns using examples
- Explain why this type of behaviour is not acceptable at the academy
- Seek the student's view
- Seek the parent's view
- Reinforce academy expectations
- Explore and agree next steps
- Clarify the next stage in the process if the student's behaviour does not improve

Meeting outcomes are recorded, distributed to all in attendance and held on the student's file.

Hair / Headwear

No extreme styles or colours (natural colours only) - avoid entirely: Shaved haircuts (inc. mid & high fades), undercuts, shaven lines / shapes and two tone colours. Please avoid	Please avoid	OK
		
Undercut	Shaved (mid / high fade)	Tapered / low fade

Please contact the school beforehand if you are in any doubt as to whether a particular hairstyle is deemed extreme or hair colour is deemed unnatural.

Students found to have an extreme hairstyle or unnatural colour will spend time in the Reflection room until a timeframe for resolving the matter is agreed with parents/carers. Failure to reach a resolution within a reasonable timeframe may result in a lengthy period of time spent in the Reflection room.

We don't allow hats, caps, bandanas or sweatbands except woolly, warm hats for sake of warmth on the journey on cold days. We don't allow hoods up onsite or coats worn inside except at the discretion of the Principal.

Make-up

No make-up, nail varnish or false nails are allowed for Key Stage 3 students. KS4 students can wear cover-up, foundation, mascara and/or blusher but no nail varnish and no false nails. Fake tan and false eyelashes are entirely not allowed.

Jewellery

Jewellery is considered to be unsuitable for school and the school does not accept any responsibility for any such items, including watches etc. However, the following may be worn: One pair of round gold or silver plain studs, one per ear lobe; Digital, analogue or smart watches - Smart watches can be worn but must not be used to interact with a mobile device in school. All jewellery must be removed for activity lessons; Students found to be wearing any prohibited item will be requested to remove the item(s). Jewellery will be confiscated and returned at the end of the school day once per term. Jewellery will be kept for 2 weeks or returned to a parent/carer if any item is confiscated again during that term. Students refusing to hand over an item of jewellery will be placed in Reflection until it has been handed over.

Note - Members of the pastoral or senior leadership teams can give a discretionary school day to resolve a uniform issue before consequences apply. This will not apply if an item of uniform is listed as a non-negotiable.

Behaviour outside of lessons

In the red zones – out of bounds areas

Students are directed to where they should be at break and lunchtimes. Staff should notify the pastoral team about students who refuse or are persistently where they should not be at break and lunch times. An R2 or R3 should be issued.

Dealing with anti-social behaviour

If a group of students persistently display anti-social behaviour outside of lessons a fixed term Reflection schedule will be used to prevent anti-social behaviour from continuing.

Groups of students congregating in inappropriate areas (e.g. toilets) may be suspected of antisocial behaviour and / or vaping. In these circumstances parents will be notified of our suspicions without consequences being applied.

Dealing with social media incidents

Social media incidents are consequenced by the Academy if they take place:

- on school premises
- whilst on a school trip or visit
- whilst students involved are representing the Academy
- whilst students involved are being transported to or from the Academy

Social media incidents taking place outside of school are addressed as below:

- Parents and/or carers are advised about agencies they can report an incident to
- Mediation between students will be offered if appropriate
- Students will be educated about the risks associated with their use of social media
- Students will be advised about how to prevent the issue from becoming a school matter

Smoking or Vapes

Every offence	● Smoking / Vaping equipment confiscated
---------------	--

	<ul style="list-style-type: none"> ● R3, R4 or R5 depending on context and previous offences ● Letter sent home ● Smoking cessation offered
--	--

Lateness to school

We expect our students to demonstrate their readiness to learn by arriving at school no later than 8.25 am. Students who arrive later than this time with or without a parental excuse will be issued with a R1 in the first instance that term. In the second instance of the school term and every subsequent instance, the students will be issued with a R2 and a lunchtime detention.

Lateness to lessons

If a teacher elects that a student has arrived late to their lesson without a genuine reason they will issue a R2 and a lunchtime detention. We have a small site and lateness is unnecessary and not conducive to learning. The teacher may choose to keep the student in the lesson following lateness but the detention should still be completed.

Eating

Food and sweets can not be openly carried or eaten inside the school building (except for in the diner or when going outside via the hall).

Only water can be openly carried or consumed inside the school building / in classrooms (except for in the diner or when going outside via the hall).

Food, sweets and drinks will be confiscated from any student who chooses to ignore

Fizzy drinks, energy drinks and chewing gum are strictly prohibited.

Mobile phones and other electronic devices

Teachers can allow mobile phones to be used in lessons by students for an appropriate learning activity. Teachers may display the mobile phone logo below (fig. 1) when phones can be used during a lesson. The use of mobile phones is prohibited in school at all other times.

Fig. 1

If a student's phone is seen or used during prohibited times it will be confiscated and returned at the end of the school day once per term and an R2 detention issued. Phones will otherwise be kept for 2 weeks or returned to a parent/carer if confiscated again during that term.

Although smart watches can be worn in school they must not be used to interact with a mobile device.

Misuse of ICT

The Academy has a clear Acceptable Use Policy and eSafety Rules. Students are not allowed unsupervised use of mobile technology in school. This serves to restrict students' access to the internet via 3G and 4G only when permission is given and supervised by an adult.

When our monitoring and filtering identify that a student has not adhered to our Acceptable Use Policy and eSafety rules, consequences will be applied proportionate to the level of risk posed or amount of damage caused.

Bullying

The Academy is committed to addressing all bullying in any form. Please see our Anti-bullying policy for the specifics of our approach.

Acceptable Use Policy and eSafety Rules

As a student, I will:

- ✓ Only use ICT systems in school, including the internet, email, digital video, mobile technologies etc, for school purposes.
- ✓ Treat all school technologies with the utmost respect and will report any damage or acts of vandalism to a teacher immediately.
- ✓ Ensure that my online activity, both in school and outside school, will not cause my school, the staff, students or others distress or bring them into disrepute.
- ✓ Only log on to the school network/learning platform with my own user name and password.
- ✓ Follow the school's ICT security procedures and not reveal my passwords to anyone and change them regularly.
- ✓ Be responsible for my behaviour when using the Internet. This includes resources I access and the language I use.
- ✓ Only capture, store or use images of students or staff for school purposes in line with school policy and not print or distribute them outside the school network without permission from a teacher.
- ✓ Respect the privacy and ownership of others' work online at all times.
- ✓ Report any incident that breaches the Acceptable Use Policy rules immediately to a teacher or a member of the ICT technical support staff.

I will not:

- ✓ Use any communications device, whether school provided or personally owned, for the bullying or harassment of others.
- ✓ Download or install software on school technologies.
- ✓ Deliberately browse, download, upload or forward material that could be considered inappropriate, offensive or illegal.
- ✓ Give my home address, phone number, send a photograph or video, or give any other personal information that could be used to identify me, my family, my friends or other students, unless my teacher has given permission.
- ✓ Arrange to meet someone I have only ever previously met on the Internet or by email or in a chat room, unless my parent/carer or teacher has given me permission and I take a responsible adult with me.
- ✓ Print documents unnecessarily or wastefully.
- ✓ Store any unnecessary images, videos or other media files in my user area or elsewhere on the school network.
- ✓ Attempt to bypass the internet filtering system or network monitoring software.

I understand that:

- ✓ Printing is a privilege and that if I am wasteful, my print credits may be reduced or withdrawn.
- ✓ My use of the Internet and other related technologies are continuously monitored and logged and can be made available to my teachers and parents/carers at any time.
- ✓ I can go to www.thinkuknow.co.uk to find help about eSafety related issues.
- ✓ These rules are designed to keep me safe and that if they are not followed, school sanctions will be applied and my parent/carer may be contacted.

Confiscating items

DfE guidance on confiscating inappropriate items states that:

- There are two sets of legal provisions which enable school staff to confiscate items from students:
 - The **general power to discipline** enables a member of staff to confiscate, retain or dispose of a student's property as a punishment and protects them from liability for damage to, or loss of, any confiscated items.
 - **Power to search without consent "prohibited items"** knives and weapons alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images, any article that has been or is likely to be used to commit an offence, cause personal injury or damage to property, any item banned by the Academy rules which has been identified in the rules as an item which may be searched for.
- All items listed or implied above are banned from any school site, trip or visit.
- Items listed in this policy as banned or prohibited from misuse.
- Weapons and knives will be confiscated and reported to the police.
- Items that could cause physical harm (such as scissors and laser pens) will be confiscated. The consequence for bringing banned items into school is proportionate to the potential danger posed.
- More detailed advice on confiscation is provided in 'Screening, Searching and Confiscation – guidance for school leaders, staff and governing bodies'.

Refusing Confiscation

When the Academy requests that something is confiscated or handed in - it is often the underlying behaviour which concerns us as much as the item itself. Students cannot simply refuse to comply. This applies to non-uniform, jewellery, phones etc. willingly brought onto or misused on our Academy site. - in such instances the Academy will insist that it is handed in the following day and may suspend the commencement of sanction in the interim whilst the student remains in the Reflection Room. It is the responsibility of students to comply with our expectations and include themselves in our culture.

The power to use reasonable force

DfE states that schools can use reasonable force to prevent students committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom. Separate advice is available in 'Use of Reasonable Force – guidance for school leaders, staff and governing bodies'. **See our Positive Behaviour Handling Policy.**

The power to discipline beyond the Academy gates

Staff will investigate and discipline students as appropriate for non-criminal bad behaviour and bullying which occurs anywhere off the Academy premises: When the child is:

- Taking part in any school-organised or Academy-related activity or
- Travelling to and from the Academy or
- Wearing the school uniform or
- Partaking in or creating problems via social media

Or misbehaviour at anytime that:

- Poses a threat to another student
- Could have repercussions for the orderly running of the Academy or
- Affect learning of students at the Academy or
- Could adversely affect the reputation of the Academy.

Reasonable Adjustments for students with Special Educational Needs

A reasonable adjustment does not mean that we lower our expectations of a student's behaviour. It means that some students need additional support to ensure that they meet our high expectations. The Axholme Academy may, in line with the requirements of Equality Act 2010, make reasonable adjustments for students with Special Educational Needs and Disabilities in relation to this policy where it is deemed appropriate. Any reasonable adjustment will be documented within a student's SEN Pen Portrait.

Sexually Inappropriate Behaviours / Harassment / Abuse

The Axholme Academy defines 'peer-on-peer' sexual abuse as follows::

- sexual violence, such as rape, assault by penetration and sexual assault
- sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be stand-alone or part of a broader pattern of abuse
- upskirting, which typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or to cause the victim humiliation, distress or alarm
- sexting (also known as 'youth-produced sexual imagery')
- receiving unsolicited explicit photographs or videos, for example 'dick pics'
- sending, or being pressured to send, nude and semi-nude photographs or videos ('nudes')
- being sent or shown solicited or unsolicited online explicit material, such as pornographic videos
- Typical platforms for sharing material between peers tends to be WhatsApp or Snapchat.

The Academy doesn't hesitate to refer parents to the Police and Safeguarding agency partners in supporting with such incidents outside school and is fully compliant with and supportive of Officers who investigate such incidents. We don't hesitate to refer to the Police and Safeguarding partners directly and to use all of the sanctions within our Ready to Learn Behaviour Policy including suspension when such incidents occur upon our site or with effect within our cohort.

Please see our Safeguarding Policy for more detail.

Sexually Inappropriate Behaviours / Harassment / Abuse - Support

The Axholme Academy completes significant work on the topic with your children within Tutor Time, CS Lessons, In-school Signposting and Pastoral Interventions but we also recognise that we cannot complete this work without the support of you - our parents. Our most valuable partners in Safeguarding.

The UK Children's Commissioner has strong resources aimed at parents and carers about online sexual harassment and how they can support children and young people to stay safe online. The guide includes a list of additional resources and sources of support and covers issues, such as sexting, peer pressure and body image.

The key message is the importance of talking early and talking often to your child. Create the culture before the crisis. Please take the time to take a look. Please don't hesitate to contact your child's Head of Year if you are concerned about this topic or wish further support.

Online Learning

All students should continue to adhere to the principles outlined in the Behaviour Policy. In particular, students should be mindful of the following:

- 1. You should be respectful and kind to all and compliant for those in authority.*
- 2. You should be safe, responsible and courteous at all times.*

Therefore, when interacting with other students and staff online, students should always be kind and respectful to each other and compliant with staff, remembering at all times that they are teachers and that teachers are not 'friends' with, or peers to, students.

Students should never attempt to contact staff via social media or make comments about staff on social media platforms. Any inappropriate comments to staff online, will be taken very seriously and could result in a referral to the Police.

This is also the case of for any online bullying towards other students or peer-on-peer abuse that is disclosed to the Academy during this time. Students should be aware of the following:

- Students' behaviour and comments should be exemplary and necessarily formal reflecting how they would behave in a lesson.
- Students should address teachers and refer to peers as they would do in a classroom setting.

- Students are prohibited from taking screenshots, recording lessons or engaging in private chats during online learning activities.

Whenever the Academy is open, a senior member of staff will always be present on site and are still contactable via the telephone number or contact email on the website if such behaviour needs to be reported. The email address taapastoral@theaxholmeacademy.com may also be used.

If any student falls short of these expectations in their online interactions, a phonecall to their parent and / or an accompanying written correspondence to raise and address the incident will occur.

In the first instance, that contact should come from the student's Head of Year. If incidents recur or if the behaviour is adjudged to be more severe it may come from a senior member of staff. An outcome will be agreed as part of that conversation. In all cases where offence may have been caused an apology will be expected as part of the outcome.

If online behaviours are severe or continue to recur then the Academy may have no choice but to elect that a R3+ consequence should be issued or, in severe cases, to inform the Police.
