Introduction

It is the responsibility of the head of centre to ensure that The Axholme Academy has in place for inspection a written conflicts of interest policy that must be reviewed and updated annually. This policy confirms that The Axholme Academy:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

maintains internal records of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

Purpose of the policy

The purpose of this policy is to confirm how The Axholme Academy manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

General principles

A process is in place to Collect Declaration of Interest from all Academy staff to identify and manage any potential conflict of interests.

Declaration process

An electronic webform for declaration of interest is sent annually to the whole Academy staff in September, or whenever new employees join the Academy. Completed forms must be returned to the Exams Officer within a month of sending.

Managing conflicts of interest

For internal recording purposes, a 'Conflict of Interest Log' is electronically maintained detailing any potential conflict declared by centre staff.

Where the nature of the declared conflict requires informing the relevant awarding body/bodies, it is done before the published deadline for entries for each examination series, and identifies and follows the relevant awarding body's administrative process.
