Thursday 23rd April 2026

Y9 - Introduction to College Experience Day - 20th May 2026

Dear Parents/Carers,

Your child has been invited to take part in a special Introduction to College Environment and Raising Aspirations Day at John Leggott College.

This event has been designed to give students an exciting opportunity to explore what college life is like, helping them to start thinking about their future pathways and ambitions. Students will be provided with a guided tour of the campus allowing them to see the full range of subject areas, including specialist facilities which John Leggott can offer. They will also have the chance to meet college staff and ask questions about courses, student life, and progression routes.

This trip is designed to give students a practical and inspiring insight into post-16 progression, and encourage consideration of the myriad of future pathways that are currently available to them.

The visit will take place on Wednesday 20th May. Students will depart the academy at 9.30am via coach and travel to John Leggott College, Scunthorpe, they will return to the Academy at 11.45am. There is no cost for this trip. **If you do not wish for your child to attend please email admin@theaxholmeacademy.com by Thursday 30th April.**

As this trip will take place within the school day, full school uniform will be expected. Thank you for your continued support, if you have any queries please contact the trip leader, abrown@theaxholmeacademy.com.

I look forward to your child taking part in this valuable experience.

All students are expected to have positive Ready and Able to learn profiles between now and the trip, please note that any incidents of misbehaviour in school may lead to your child being withdrawn from the visit.

Yours Sincerely,

Anna Brown
